**My Prayer Card :** \_\_\_\_\_

**The Bible tells us that everything that we have that is good comes from God.**

**(1 Chronicles 29:14)**

**Giving in Grace is all about saying thank you to God for all the wonderful things He gives us, special things and everyday things, and showing Him how much we care about Him.**

**Think of five things you think are really good and say thank you to God for them:**

**1** .....

**2** .....

**3** .....

**4** .....

**5** .....

**We say thanks to God when we pray, but He also wants us to show how thankful we are by giving something to Him. Sometimes that might be giving Him our time, or our pocket money, or doing something we are good at to do something for God. Most importantly, He wants us to be cheerful about it.**

**Think of something you could give to God to say thank you for all of these things and to show Him how much you love Him :**

**Pray with Grandpa George :**

**God I love you very much.  
Thank you for all good things.  
I want to be your friend.  
Help me to know what things  
You want me to do,  
and to be happy about doing them.  
Amen**
